NARRATIVE:

Clinton Bibber has an extensive adult criminal history that began at the age of 19. His convictions include attempted murder, reckless driving, receiving stolen property, trespassing, terrorist threats, forgery, assault, burglary, embezzlement, battery, petty theft, and DUI. He has served multiple incarcerations, the longest being a 14 year term for assault. Bibber was released from state prison to the supervision of the Los Angeles County Probation Department on August 16, 2015. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in September 2015 after he absconded from post release community supervision (PRCS). Bibber qualified to be released to the supervision of probation, under AB 109, because his current commitment offenses for petty theft is defined as non-serious and non-violent under the California penal code. His prior criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
